I asked Wiltshire Council if they would be prepared to fund a re-start to the Saturday service. They said it would cost £15,000 and would not have the funds but it would be mostly used by people in Freshford, so BANES should be asked to fund it. ### Items arising from previous meetings

Minute No.	Item	Action	By whom	Update	Complete / ongoing
3	Review of actions	Contact Curo regarding the maintenance of the land they own between the cemetery and the Glebe.	Cllr Daniels	I have chased Curo by email and phone. Tim Jarrett has not responded to my email, and Curo has a recorded phone message saying that during the coronavirus pandemic it will only deal with queries from its vulnerable residents. I've spoken to Councillor Walker who, unfortunately, does not have a mobile number for Tim Jarrett. So I've reached a dead-end.	
13a	PC Assets	Pursue further clarification about the street lighting contract.	Clerk and Cllr Adler	See separate agenda item.
