March 2020

Freshford Parish Council

Lawson Cypress Tree In Freshford Cemetry

Remove storm damaged limb that has fallen into Weeping Pear tree.

Remove split limbs on Pear tree where necessary

£130.00

As there will be a large void where branch has split away it would be beneficial to the tree, to lightly prune the vulnerable branches where necessary.

This work would be an extra cost of £65.00

Thank you Alan
