

Funding – Freshford Bulletin August 2019

Background

The organisation that was going to sponsor the August 2019 issue withdrew at the last minute because the person responsible had left the company, leaving the PC high and dry just before going to print.

After discussion with Peter King and Cllr Adler, Cllr Daniels applied for a small grant of £250 from FLISCA to fund the August issue. The application was successful and £250 was paid into the PC bank account on 31/07/2019.

The printing cost of the August edition was £265.40.

Recommendation

The balance of £15.40 to be paid by FPC.
