

Booking a ride is quick and easy  
with the *WESTlink* app.

### 1. Create an account

Download the *WESTlink* app from the App Store or Google Play Store and follow the simple sign-up steps. You can also call us at 0117 457 8561.

### 2. Book a ride

Enter your pick-up and drop-off addresses, choose the ride that works best for you, and tap **Book ride**.

### 3. Meet your *WESTlink* ride

Check the app to find exactly where to meet the vehicle. It may be a short walk from where you are, but your designated pick-up point helps to cut down on detours and make your journey faster!

Monday-Saturday  
5:30am-9:30am  
Sunday  
9am-6pm.

**About WESTlink**

**What is WESTlink?**

WESTlink is the region's first on-demand bus service that runs without a fixed route and does not follow a timetable, unlike a traditional bus service.

**Who can use WESTlink?**

WESTlink is available for anyone who wants to travel within the operating zones.

**Where can I travel?**

WESTlink operates in 3 zones (see map). You can travel anywhere within a zone but not from one to another. For more details on where you can travel, go to [www.westlink.app](http://www.westlink.app).

**What is the Future Transport Zone?**

This is a trial version of WESTlink, with longer operating hours, aimed at helping people get to employment areas not currently served by public transport.

**How do I book?**

Booking is available via the WESTlink app, by calling 0117 457 8561 or via [www.westlink.app](http://www.westlink.app).

**When can I book?**

Journeys can be booked up to a day in advance and passengers can also book on-demand on the day of travel.

**Do I need to know where my nearest bus stop is?**

No, our smart app will work out the closest pick-up and drop-off location points and the app/phone operator will tell you where these are.

**Are wheelchair accessible vehicles available?**

Yes! You can let us know you need a wheelchair accessible vehicle in the app. Simply tap the menu in the upper left of the screen, then tap your name to access Account details. Next, tap Special settings and turn on Wheelchair accessibility. You can also give us a call.
