

Car Park Drainage Works Costs

1) Pro Drainage (1st visit - no progress) **£200.00 +VAT**

The Parish Council approved a contribution of a third (£80) at the March 2024 meeting.

2) Metro Rod (2nd visit – again, no progress) **£735 +VAT**

The cost was queried in light of lack of resolution of the problem, but no reduction in costs was possible.

3) Wags Firmin - expenses including slip bands **£117.08 +VAT**

Tree rootball successfully removed.

The total is £1052.08 +VAT which has been paid by the Galleries.

If this is split three ways between the Galleries, FVMH and Freshford Parish Council, then costs will be:

£350.69 + £70.14 VAT = £420.83 each
