

## **Freshford Church Primary School After-School Care**

We are launching an after-school club 3:20pm-5:20pm Monday to Thursday and 3:20pm – 4:20pm on Friday during term time. We want to create an after-school club that is very much part of our community.

We are looking for a self-employed leader who could run all or some of the sessions across the week. It is anticipated there will be around 10 children between the ages of 4-11 across the 2 hours – some for both hours, others for the second hour after they have been to one of our sports or specialist clubs.

A typical session might include games, den making, dressing up, crafts, drawing, reading, lego, playing outside, puzzles, games, homework time, listening to stories and music – and the capacity to develop what is on offer to suit and engage the children in the club.

### **What we offer:**

- ★ The opportunity to work with brilliant children who are caring, enthusiastic and friendly with a strong sense of our community's values in all they do.
- ★ A warm welcome with support, guidance and encouragement to create a brilliant 'after school' offering in our school.
- ★ Attractive remuneration.

### **You will have:**

- ★ Enthusiasm and curiosity, care and warmth, humour and calm, energy and playfulness.
- ★ The potential to work on a self-employed basis.
- ★ Childcare experience, whether as a childcare professional, teacher, teaching assistant would be an asset, though a vision and ambition for creating a nurturing and child-centered after school space in our community is essential.

To discuss the opportunity further please contact Marie Matthews, 01225 723331 or email [marie.matthews@freshford.bwmat.org](mailto:marie.matthews@freshford.bwmat.org)
