parish.council@freshfordvillage.com

YOUR COMMUNITY NEEDS YOU!

- Are you looking to do something different in 2026?
- Are you passionate about your local community?
- Do you want to help make long-lasting changes?

Then consider becoming a parish councillor!

Freshford Parish Council is looking for three new councillors. We need people from all backgrounds and experience to join our positive and pro-active councillors.

As a parish councillor you become part of the voice for the local community and can help make positive change.

WHAT DO PARISH COUNCILLORS DO?

An integral part of a councillor's role is engaging with local people, groups, and businesses determining their needs, providing a democratic voice, making decisions on the projects the council should take forward, and getting involved to ensure services meet the community's needs.

Freshford Parish Council is currently working on a number of projects, including street lighting, renewable energy and traffic and transport.

The Parish Council manages The Tyning and the Cemetery along with other smaller assets.

Freshford Parish Council is also committed to doing what it can to address the Climate and Nature Emergencies, which is reflected in its decisions and actions.

BECOMING A LOCAL COUNCILLOR

You're welcome to chat to the Clerk or current councillors to find out more. Please email parish.council@freshfordvillage.com or call Kirsty Clark, Clerk to Freshford Parish Council, on 07936 526 119.
